

Statement of Faith.

The ownership team at PrintMail would like to share with you that we hold a common bond of faith in the saving power of Jesus Christ which is the foundation from which all management decisions are made. Life is short compared to what lies ahead in eternity and we consider ourselves to be stewards of this business for however long God would have us operate it. We strive to be good stewards of His business by operating according to our core values, providing an excellent service to our customers, investing into the company for future generations, and generating a modest profit for the shareholders. While certainly not a requirement to work at PrintMail, the below statement of faith is what the ownership team holds to which we would like to share:

1. We believe that the Bible is God's word and the ultimate authority for our faith ([2 Timothy 3:16](#)).

2. We believe that Jesus Christ is the son of God and that he came to earth to sacrifice himself on the cross for our sin to give eternal life to all that would believe in him ([John 3:16-18](#)).

3. We strive to glorify God by doing our best to ensure that our business is operating with excellence and integrity which we believe will bless the lives of our customers, employees, vendors, and surrounding community ([Ephesians 2:10](#)).
